Note: Each paper must have its own certificate and the "Express Mail" label number as a part thereof or attached thereto. Note: The label number need not be placed on each page. Although the label number may be on checks, such a practice is not required. In order not to deface formal drawings it is suggested that the label number be placed on the back of each formal drawing of the drawings be accompanied by a set of informal drawings on which the label number is placed.
